The Midget Meet — fun for grownups too!

At sundown . . . a snug chalet.

the vacation you'll write home about!

Another T-Bar and Boulevard Run has been added to our skiing facilities.

SERIOUSLY SPEAKING

This thousand-acre winter wonderland — with its T-bar and tows, its expert-to-easy trails and slopes, its noted C.S.I.A. ski school—offers skiing for every skill from tyro to topnotch (not to mention the 'know-how' the Swiss Family Cochand has gained in 35 years continuous operation!).

JUST FOR FUN

Indoors or out, idle moments are those of your own choosing. The Sugar Derby Masquerade is a "circus on skis". Sleigh rides and cook-outs offer congenial companionship. The lively bar, the luxurious lounge, the TV game room, and the fine fare and deluxe buffets in the gay dining room contribute to your sense of solid comfort.
